Wow! What a great night of dancing! We had students from all over the area for our **Half-Way Dance** this past Monday. I believe we had as many visitors as we have members, so the dance floor was packed, and the students, including our own, were full of energy, enthusiasm, and good cheer. We had lots of angels to pair off with, many callers were present. It was quite a festive night, indeed. **Cris Crisler** kept us all up and moving to the beat, and **Wayne Weston** called a mainstream tip for us, since he is co-instructor for our new students, as well as the instructor of many of the **Waterloo Squares** students that came down. It just doesn't get any better than this, does it folks?!? We want to thank each and everyone of you for coming out and squaring up, and being a part of our square dance family! I've attached a composite of photos from our **Half-Way Dance** and from the **Methodist Mission Youth Dance** our club sponsored on June 9th.

Nasser Shukayr will call on June 21st!!

Lessons officially begin at 7 p.m.

We're in for a special treat this coming Monday night. Nassar is one of the most innovative, creative, and humorous callers in our area, and if you've never experienced a square dance called by **Nasser Shukayr**, then you haven't danced yet! And it doesn't matter how many times you've danced to his calls, he'll still blow you away with the intricate patterns within a square or progressive squares intertwining across the span of squares on the floor. It all adds up to a whole lot of fun, folks, so be sure to come join our square dance family in a great night of hootin' and a hollerin' and square dancing!

Cris Crisler will call on June 28th and July 5th!

Ed Larder will return on July 12th!

Wayne Weston will return on July 19th!

Cris Crisler will call on July 26th!
